and Nursing**

“ Over 21 years of Excellence in Paramedical & Nursing Programs

AIHS closely integrates clinical and theoretical training. We equip our students to become competent professionals. Our programs include highly interactive lectures, seminars, group work, demonstrations and projects. AIHS blends theory, practical training, personality and communication development programs for our students.

Our Advantages

- ▶ 100% placements
- ▶ Extensive practical training
- ▶ Rigorous clinical training at leading hospitals
- ▶ Experienced faculty from health industry
- ▶ Value Added certifications in healthcare
- ▶ Training in diagnostic laboratories
- ▶ Tie-ups with corporate and government hospitals
- ▶ IELTS Coaching
